Suree Sirisupa

Publication frequency

ASEAN J Rehabil Med published three issues a year: (1) January-April (2) May-August (3) September-December
Each issue contains 6-8 articles..

Open access policy

ASEAN J Rehabil Med provides an immediate open access to its content on the principle of making research freely available to the public and supporting a greater global exchange of knowledge.
The main access its content is <https://www.tci-thaijo.org/index.php/aseanjrm/>

ASEAN Journal of Rehabilitation Medicine (ASEAN J Rehabil Med)

(Formerly Journal of Thai Rehabilitation Medicine)

Ownership and publisher

ASEAN J Rehabil Med is owned by the Thai Rehabilitation Medicine Association, which oversees its publication and fully funds all associated management expenses. The association also facilitates operations and management to maintain high publication standards, implement strict peer review processes, and ensure open access for readers worldwide. However, this funding does not influence the editorial board's decision on reviewing or publishing articles

Copyright and Licensing

In the submission process, the Thai Rehabilitation Medicine Association, as a publisher, requires the authors to sign a Copyright Transfer Agreement, which is legally binding and grants the Thai Rehabilitation Medicine Association non-exclusive to distribute the article.

The articles in ASEAN Journal of Rehabilitation Medicine are published under the Creative Commons Attribution Noncommercial No Derivatives (CC BY-NC-ND) license: Credit must be given to the creator. Only noncommercial uses of the work are permitted. No derivatives or adaptations of the work are permitted.

The authors retain certain rights to reproduce or adapt the article and reproduce adaptations of the article for any purpose other than the commercial exploitation of a work similar to the original.
